TO WHOM IT MAY CONCERN,

Dear Sir/ Madam

RE: RECOMMENDATION LETTER

We are giving this recommendation letter in good faith to our business partner as a result of their excellent performance in providing medical consumables to our hospital.

Healthcare Direct is our supplier and has proved itself as a reliable provider of high quality products and services. Their excellent choice of world class manufacturing companies, the depth of their product knowledge, combined with proven reliability qualifies them to handle big capacity institutions.

Given our experience from the contractual engagements with Healthcare Direct, we are pleased to recommend them as a supplier of quality products and service delivery.

Yours faithfully,
