RE: HEALTHCARE DIRECT (K) LTD – PROTECTIVE EQUIPMENT & MEDICAL DISPOSABLES

This is to confirm that the above mentioned company has been supplying MEDS with healthcare protective equipment and medical supplies for over 10 years. During this period, they have offered reliable service and their products have been of unquestionable quality.

Judging from their conduct of business, they are competitive and we have had no problem with the quality of their products.

Please accord them any necessary consideration they may require.

Yours faithfully,

for
