His is to confirm that HealthCare Direct is one of our suppliers of personal protective equipment, food grade disposables gloves and hairnets.

Healthcare Direct has been our supplier since 2005.

Their service is good and we would not hesitate to recommend them as a supplier of all protective equipment.

Yours faithfully

Mrs Balraj Kaur

A handwritten signature in blue ink, possibly "Balraj Kaur", is written over a circular stamp. The stamp contains the Osho logo and the text "Osho Chemical Industries Limited", "P.O. Box 49916", and "NAIROBI, KENYA". To the right of the stamp, the date "24/05/2018" is handwritten in blue ink.
